Brandon University Astronomical Observatory – Public Observing

Brandon University opens up its HUGE telescope to the public just once this November and we're going to have a peek at the universe! On November 15th meet us **before 7pm** at the Ancillary Service office, on the main floor of McMaster Hall at Brandon University. The closest and easiest entrance is through the glass link between Darrach Hall and Harvest Hall (cafeteria). There is parking in Lot #4, on the 300 block of 20th Street.

PLEASE NOTE: There are many stairs to climb to get to the telescope, so unfortunately this event will not be open to everyone. Please call Avis's Place if you have questions about this.

Weather Note: Weather conditions could prevent observing (eg, Cold, Winds, Snow, Rain, and Lightning) so keep an eye on the sky if you intend to join us.

PLEASE NOTE: Avis's Place is CLOSED on Saturday, Nov. 9th due to Remembrance Day

Bingo!

Small Bingo (free to play) takes place on Friday, November 1st at 5pm.

Big Bingo will take place on Saturday, November 16th at 2pm. Come on in and play to win! Cost: \$3.
